Warm Winter Wishes

The wonders of winter and the holiday season are just around the corner and once again we bring you our individually hand crafted fresh Christmas wreaths. They come to you from the majestic Marble Mountains of Northern California, where they are individually designed and decorated. Our wreaths are carefully boxed, shipped, enclosed with your personal holiday greeting, and arrive lush and fragrant, shortly after harvest.

Please look for more choices online....

*We invite you to visit www.wreaths-unlimited.com where you'll find many more design choices in our full selection of **both fresh and dried wreaths, swags and centerpieces.***

One of our Most Popular Wreaths

Cardinal's Retreat

This wreath captures the peace and tranquility of the deep woods after a heavy snow.... and of the noble cardinal who rests serenely in her nest midst the thick juniper and pine boughs as she waits for the storm to pass. The Cardinal's Retreat reflects both peace and hope.

Presenting Our

Largest and.....

Royal Velvet

Brighten someone's holiday with a traditional sign of the season.

This arrangement of beautiful velvet poinsettia flowers rests on a lush bed of fresh, fragrant fir greens and is perfect for making an impressive statement on any door or wall. Woven throughout this exquisite 27" wreath are soft green sprigs of holly and golden pinecones that add a special sparkle. When you want to blend elegance and tradition with Christmas, do it with our Royal Velvet wreath.

Grandest

Majestic

The tree is trimmed with cherished ornaments and lights. Garlands dress the staircase and a warm fire is crackling in the fireplace. The final touch for celebrating the holidays with your family and friends is the “Majestic” wreath.

We’ve made it larger... 27” to compliment the most impressive fireplace mantel or entryway. It is adorned with a variety of dried fruits, pinecones, colorful foliage and three large gold trimmed plaid bows.

It is truly the piece de resistance in holiday decorating!

Gold Rush

Bring the gentle tranquility of the forest to your home with this shimmering circle of gold. A cascading assortment of glistening, fir cones nestle in this lush, green wreath woven from the fresh boughs of the Pacific Northwest. The cones are perfectly complemented by a classic, gold bow of soft, rich satin.
